VENUES:

CABO DEL SOL — OCEAN COURSE

**#2 Course in Mexico, on
Top100GolfCourses.com**

The Cabo del Sol Ocean Course has been attracting world-class golfers to the southern tip of the beautiful Baja Peninsula since 1994. A stunning Jack Nicklaus Signature Design, the 18-hole Cabo del Sol Ocean Course stretches across an awe-inspiring landscape of desert, mountain, and sea. Home to seven thrilling holes making their way

along the rugged coastline of the Sea of Cortés, the Ocean Course culminates with what are widely regarded as three of the finest finishing holes in all of golf.

CABO DEL SOL — DESERT COURSE

Designed by Tom Weiskopf—the master of desert golf—the Cabo del Sol Desert Course is artfully sculpted across the natural beauty of the Baja. Since 2001, golfers have marveled at its melding of desert and ocean, with canyon-like arroyos that are as awe-inspiring as they are challenging. Views of the ocean from all 18 holes create a breathtaking backdrop for your round, while its undulating greens, changes in elevation and dramatic bunkering make the Desert Course a distinguished piece of the Cabo del Sol golf experience.
