January 8 -12, 2020

INCREDIBLE GOLF. AMAZING DESTINATIONS.

Golf Experiences as Amazing as the Destinations. Experience the beauty of Cabo golf.

Cabo is a fantastic destination. Made even more so by the Montage Los Cabos. We will test our skills on the fairways and greens of the Twin Dolphin Golf Course and relax in sublime luxury at the Montage Los Cabos Resort. With one of the very few swimmable private beaches in all of Cabo, a truly world-class spa, and incredibly attentive service, the Montage will indulge our every wish.

THE GOLF

The Twin Dolphin Course by Fred Couples

If you've ever played a golf course designed by Fred Couples, you know what to expect, and Twin Dolphin does not disappoint. He didn't move millions of yards of earth, he didn't re-sculpt the desert—he took the land, with its natural arroyos and undulations, and added a golf course. The result is thing of beauty. It winds through the Cabo countryside following the natural curves of what was there. The fairways are undulating fields of green bermuda. The greens are large and sculpted with ebbs and flows. The views of the Sea of Cortez will make everyone stand and stare. Boom Boom saw the land and created a course everyone will find interesting and fun to play. For the skilled, carries over arroyos and cuts over doglegs are rewarded. For those less adventurous, straight shots are rewarded with beautiful approaches. And everyone can settle their bets on the special 19th hole.

ACCOMMODATIONS

Montage Los Cabos

Years ago, the Twin Dolphin hotel was THE place in Cabo. A Mexican home to movie stars, business moguls, and well to do families where anonymity was the norm, and luxury de rigeur. On that site rose the Montage Los Cabos, our home for our Twin Dolphin ProAm, an idyllic sanctuary perched upon the premier beachfront in Cabo. Spanning 39 acres along the gentle azure waters of Santa Maria Bay, the resort features walk-in access to the finest swimming, snorkeling and diving in the region. Fears of the Cabo undertow vanish on this beach. Tranquility reigns, and impeccable service is the norm.

Architecturally, the hotel blends into the countryside using natural materials and plants with simplistic shapes that define the spaces. Rooms are suite-sized retreats with understated, luxurious appointments. 5 salt water pools and two fantastic beaches await us. Swim up bars, attentive service and fantastic dining will make us want to spend all of our time here. But even more beautiful golf awaits us at the Twin Dolphin golf course.

Spa Montage, inspired by the traditional Mexican folklore surrounding the Tree of Life, as well as the historic Torote tree that graces the entrance to the resort. This nurturing refuge offers a unique experience steeped in the beauty and healing powers of its incredible surroundings. It is here that a wonderful array of sensuous spa treatments, many inspired by the rhythms of the ocean, desert and local traditions, will soothe and renew.
